IN THE KITCHEN

Dycem Non-Slip

Non-slip products are made of durable, flexible polymeric material. Colorfast, odorless, with no latex or toxic materials. Each item can be cleaned with soapy water, but must be dry before using as it is not effective when wet. Mats and pads are designed to help keep objects from sliding and prevent spills. Flexible openers provide soft, sure grip on bottles and stubborn jar lids and ensure a good seal when closing.

Dycem Non-Slip Pads

Blue or red color gives good visual contrast for low vision. Specify color.
